VOLUME 43, NO. 24-Z251

BOWLING GREEN, KENTUCKY

WEDNESDAY, MAY 13, 1964

Talisman royalty are Darel Carrier and Sylvia Terry who is being crowned by Talisman staff member Donnie Jones.

## Terry, Carrier Reign At Ball

A king... a queen... a court... a nationally-famous dance band... formal-clad students and college officials... and an air of spring gaiety set the stage.

Queen Sylvia Terry and King Darel Carrier reigned over the Talisman Ball last Thursday night, while Si Zentner provided the music for the dancers, who whirled around the floor in rainbow-colored pastel formals and immaculate dinner jackets, enveloped by walls draped with shades of blue and white.

On behalf of the senior class, President Gary Kelly expressed his sorrow that there was a delay in the starting of the dance, and that he, the Talisman staff, and the senior class appreciated the cooperation of everyone.

## Superintendents Hold Conference In A-A Building

Some 125 school superintendents met at Western last Friday for the annual Superintendents' conference on adult education in public schools.

The theme of the conference, sponsored by the State Department of Education, division of adult education, was "Advancing Kentucky through Adult Education".

A similar conference was conducted at the University of Kentucky the same day. Superintendents had the choice of attending either.

The conference at Western

## Work Is Underway On Center

Last week marked the start of the reconstruction and enlargement of the Paul L. Garrett Student Center. The work is being done by the Hartz-Kirkpatrick Construction Company of Owensboro. The bid accepted was \$1,217,881.00. The construction will be under the supervision of Buildings and Grounds officials and Joseph P. Wilk, Architect.

Students will notice that fences have been erected to mark off the construction area which is "off limits" to all but construction workers and related college personnel.

Work up till now has been confined to hooking on to power lines and making the grounds around the existing building ready for reconstruction. This includes removing grass sod around the building as well as small trees and shrubbery.

Final drawings of the new Library were completed last week by Associated Architects, Joseph P. Wilk, Bowling Green; and W. S. Arrasmith, Louisville, and signed by President Kelly Thompson last Friday. These plans then were sent to Frankfort to be given final inspection by the State before bids can be accepted for the reconstruction and enlargement of the old Physical Education Building into the new Library.

Due to the problem of extremely dusty conditions, the Maintenance department put a thin layer of tar down in Central Hall parking area. This has been a big help in decreasing the dust. Plans are for paving the Academic Athletic Building parking areas as well as State Hall and Central Hall parking areas sometime this summer.

Tennis courts are being resurfaced at the lower end. These courts which appear green in color are of a special substance and are very expensive.

### NOTICE

All students who plan to attend summer school must stop by the Registrar's office and fill out a re-enrollment card.

## Phi Mu Alpha Presents "Spotlights On The Hill"

As the old saying goes, there is no business like show business. At least, this is what the Phi Mu Alphas of the music fraternity are saying. If you have tastes varying from the Charleston to the Beatles, from barbershop quartets to folk-singing trios, from dance bands to comedy skits — if you are attracted to any of these, you are surely to be one in many interested in the Phi Mu Alpha's variety show. "Spotlights on the Hill," emceed by Stephen King, will be presented tomorrow evening in Van Meter Auditorium.

Sponsored by Mr. Claude

Rose, the 29 member fraternity will all be working together at 7:30 p. m. in a unique way to raise funds for the treasury. Featured will be comedy skits on the Roaring 20's and the Swinging 40's. A 16-piece dance band directed by Lucian Priode will do popular numbers as "The Stripper", "Exodus", and the "Days of Wine and Roses", as well as oldies "The Charleston" and "Moonlight Serenade". Western's answer to the Beatles will do a comedy skit under the name The Beatle Baileys.

"Breezing in My Old Model T" will be typical of The Mop-Chopping Four, the barbershop quartet composed of Ralon Wheeler, Gary Martin, Phillip Cooper and Jerry Dozer. For those who like folk music, Spotlights on the Hill will present also the Hillsmen, a folk-singing trio armed with numbers similar to Peter, Paul and Mary's recordings.

Tickets are on sale for \$.75 each and they can be bought from any of the fraternity members.

## Pi Sig Sorority Hosts Little 500

When the starting gun sounds, and the boys chase the girls, and the girls grab the seltzer bottles, the second annual "Pi Sig 500" will be officially underway.

Fun and excitement is in store again this year as the Pi Sigma Upsilon Sorority holds its second annual "Pi Sig 500" Saturday, May 16, in the Western stadium. The action will begin at 12:00 p.m. and will be open to all social Greek organizations on the Hill, plus one.

The plus one's are a group of "Rejects" or transfer students who are affiliated with various Greek organizations at other schools.

The events of the contest will be as follows:

1. Poster Contest (now on exhibit in the student center.)
2. Big Squeeze.
3. Sack Race.

## Players Will Present "The Boor" Tomorrow

Anton Chekov's one-act comedy "The Boor" will be presented in Snell Hall auditorium tomorrow evening. Shirley Lanham is the student director.

With Bill Christie as Grigori Smirnov and Carol Robertson as Helena Popov, the play is Western Players' final experimental theatre production of the season. Also featured in the cast is Bonnie Clements playing Luka.

Setting of the play is in old Czarist Russia. The characters are white Russians. The humor develops as Grigori and Helena's strong wills, temperaments, and personalities clash over an old unpaid debt.

The play was written as one of a series of plays for the Moscow Art Theatre. It was first presented by Stanislavsky, originator of the school of method acting, in the early twentieth century.

## Pershing Rifles Publish Leader

Western's Pershing Rifles Company B-3 has published its yearbook for the second consecutive year.

Many of the members have already received their yearbooks. The Leader is the first yearbook ever published by an individual Pershing Rifle Company in the nation.

Thomas Lewman was in charge of photography for the annual. The 48-page annual features individual pictures of the present members and numerous pictures of activities in which members of Company B-3 have participated during the past year.

The Leader has been dedicated to the previous advisors of the Company. The dedication of the annual to Captain West-

lake and SFC Parks is to show their appreciation for the many favors and because of the thoughtful guidance, helping hands, and unselfishness given them.

The idea to publish a company yearbook was first conceived in the Fall of 1962 by a group of P.R.'s who were in the process of compiling a

### NOTICE

The distribution of Western's yearbook, the Talisman, is scheduled to begin Monday afternoon, May 18, at 1 o'clock. Location of distribution is the basement of the Administration building.

The yearbooks will be distributed from 8 a.m. to 4 p.m. during the remaining days of the week.

Students must present Western I.D. cards or notes from the College Business Office before receiving yearbooks.

**CHARTER PRESENTATION** — Dean Charles Keown, right center, receives charter of Xi Psi chapter of Alpha Phi Omega from Gen. H. O. Paxson, Tennessee section representative of the national service fraternity. Looking on are, from left, Dr. Hugh Thomason, Dr. Donald Wendt, and Dr. Robert Obojski, Dan Kubic, and Tay Kimbel.

## Alpha Phi Omega Installed, Service Fraternity Chapter

A new chapter of Alpha Phi Omega, national service fraternity, was installed on the campus, Saturday, May 9.

The formal initiation was at 5:30 p.m. in the Kentucky Building. Theta Nu chapter of Vanderbilt University conducted the initiation.

Following the initiation cere-

monies, a banquet was held at the Holiday Inn. The charter was accepted at the banquet by Dean Charles Keown, Mr. Dan Kubic, and Ray Kimbel.

Officers of the fraternity are Ray Kimbel, president; Don Pierce, vice-president; Tom Gorin, second vice-president; Jim Carbolth, secretary; Jim Guyton, treasurer; and Bill Par-due, historian.

Advisors for Alpha Phi Omega are Dr. Hugh M. Thomason, Dr. Vernon N. Martin; Dr. Robert Obojski, Dr. Donald Wendt, Mr. Walter Richards, Mr. William F. Lile, and Mr. Dan Kubic.

## Dr. Weaver Will Speak At Banquet

Dr. Herbert Weaver, chairman of Vanderbilt University's History department, will be the featured speaker at the annual A. M. Stickles History Club banquet tomorrow night.

The banquet for club members and their guests will be held at 6:30 p.m. in the dining room of the Helm Hotel.

Dr. Weaver, who joined the Vanderbilt faculty in 1949, is well known for his work in the history of the Old South. Among his research interests are immigrants in the Old South, antebellum agriculture, and the correspondence of James K. Polk.

The Vanderbilt historian took his Ph.D. Degree at the university where he now teaches. His undergraduate and master's degree are from Birmingham Southern University.

A member of several learned societies including the Tennessee Historical Society, which he has served as president, Dr. Weaver has served on the Board of editors of the Tennessee Historical Quarterly and the Southern Historical Journal. His writing includes many articles in historical journals and two chapters in the book *Army Air Forces in World War II*.

The history club is open to history majors and minors and to others interested in history. It was named for Dr. A. M. Stickles who headed Western's Department of History from 1908 until 1954. Dr. Stickles, now in his 90's and still active, plans to attend tomorrow night's gathering.

# Atlanta Is Site Of Alumni Meet

The third annual meeting of Western's Atlanta Alumni Chapter met Saturday, May 9 in the Atlanta-Americana Motel in Atlanta, Ga. Mr. H. H. Cherry, Jr. acted as chairman for the dinner meeting.

Mr. Lee Robertson, Director of Alumni and Placement, represented Western at the meeting. Dr. Merrill Schell, president of the Western Alumni Association and a surgeon from Owensboro, gave the official Welcome.

Because of illness, Coach Ed Diddle was unable to attend the meeting and speak to the chapter. The members sent a signed card to the coach.

Elected as president for next year was D. C. Spickard. Evelyn Jane Dougherty will serve as recording secretary. Mr. Robert L. Preston was appointed as project chairman.

The following members were present for the meeting:

Mr. Neil Baxyer, Mr. and Mrs. H. V. Bullock, Mr. and Mrs. H. H. Cherry, Evelyn Jane Daughtry, Mr. and Mrs. Paul Ferren, Lindie Edward Freeman, Mr. and Mrs. Wm. # Avoid The Rush

By JO BUTT

A semester includes two horrible weeks. The first and the last. The first, the student is assigned so much work that he can't possibly do it in six semesters. The last, he has to do it all. Although some would like to, it is impossible to go back and begin the semester over again. However, it is not impossible to start now and get as much work done as remaining time will allow. Here are some tips for the student who needs to absorb as much knowledge as possible during the next two weeks.

1. HE SHOULD NOT WAIT UNTIL THE LAST MINUTE. This is why he is in trouble now. He should start by reading back assignments. He won't learn as much as he would have had he kept up all along, but he will learn more than if he takes the it's-too-late-now attitude.

2. HE SHOULD CONCENTRATE WHILE READING. Reading with concentration is one of the key principles of retaining what is read. Some students find it easy to concentrate in the library; others prefer the privacy of their dormitory rooms. The student should find a place where he can read, and READ.

He should forget that this is a matter of passing or failing, but read the material and be glad finals are two weeks away and not tomorrow.

3. HE SHOULD NOT WASTE TIME ON WHAT HE ALREADY KNOWS. He knows what he knows, so why waste precious time on it? He should study new material and try to learn it.

4. TAKE A BREAK. He should study for awhile, but not so long that he just reads words and doesn't comprehend them. A coke break or a chat with his roommate will refresh him, providing the break doesn't last too long. He should bear in mind that procrastination is the root of all flunking.

5. REVIEW. Going back over notes and re-reading underlined points in the textbook will help refresh the student's memory. He isn't expected to know everything, but will be required to know the important things.

5. ABOVE ALL, HE SHOULD NOT PANIC. When he looks at all the material he hasn't studied, he should study it. Sitting around and worrying about it doesn't help him to remember answers the first week in June. Reading and reviewing help more than waiting and cramming.

It is hoped that these tips will be helpful . . . GOOD LUCK!

# Donald's Dilemma

A student at Western always seems busy. But, busy with what? What does a Western student do on weekends? These seem to be unanswered questions.

Let's take a look at two Western students, Donald Tringelberry, junior, and Joe "Suitcase" Jerm, freshman. Joe is labeled "Suitcase" because he is one of the many who join the mass migration each weekend for home, where he claims there is "something to do". Donald teases Joe about suitcasing but there are many weekends when he wishes Joe had invited him home where there is "something to do".

Each Friday afternoon Donald is faced with an important decision. One that if made unwisely could change his whole future because someday he hopes to graduate.

At 7:30 p.m. on any Friday afternoon we can usually find Donald in his room. He is out of class, caught up on his studies and bored.

What will Donald do this weekend?

He could go downtown to the movie but he has seen it twice.

He would like to go to the drive-in but he doesn't have a car.

He could watch T.V. but the Lawrence Welk bubbles make him dizzy.

He may even decide to migrate to a neighboring school or he may decide to stay and throw rocks. What will Donald do?

This year Western brought an entertainment group to the campus. Count Basie was the name. Western made \$15.00. At a neighboring school a folk-singing group, which could have played at Western, performed before a capacity crowd of 15,000 (many of which were Westerners). Why?

Two years ago a local fraternity imported a combination of bands from Louisville; held a dance at the Armory, and as a result fattened its treasury by \$1,500. At a later date the same combination of bands played for a school sponsored dance in the student center and the turnout was pitiful.

Is this the students' fault, or a lack of the students being able to communicate to the administration what they want and where they enjoy having it.

The Paul L. Garrett student center is a building of which each and every student is proud, but evidently it is not where he wants to dance.

It has been suggested that the downtown Armory be made "on limits" and that the student council sponsor a dance or something similar in nature. Maybe we need a Social Director, who will be able to provide that something extra for the student.

He may also be able to keep Donald out of fish ponds and Joe at Western on weekends. Let's hope so.

## IMPORANT NOTICE

Mr. Bill Wade, star quarterback of the world champion Chicago Bears football team will speak at the weekly assembly next Wednesday, May 20, at 10:20.

Mr. Wade is one of the most outstanding athletes in America and in order to give the entire student body an opportunity to hear this nationally famous football player, weekly assembly will be held in the E. A. Diddle Arena of the Academic-Athletic Building.

All students, faculty and staff members are urged to attend the program.

# A Day At The Derby... Or Why I'm So Broke!

By TOD PORTER

Some muttered "to show"; others said "to place"; and the optimistic shouted confidently "to win, of course."

The place — Louisville  
The event — Kentucky Derby  
The crowd — infinite

Our problem — a student with a burning desire to attend the Derby.

What to do? Assuming that this student chooses to go by car from Bowling Green to Louisville, the distance of 120 miles poses no particular problem. The difficulty arises when he gets a dozen blocks from Churchill Downs. At this point, the student, if he is unfortunate enough to be the driver, is harassed by millions of men, women, and children who do not ask, but demand that he park his car in their yard. Many residents close to the race track charge five dollars per car. Those with large yards probably made more than Northern Dancer. However, all those attempting to interest drivers in parking spaces do not have an equal opportunity. Many girls in shorts take unfair advantage of male motorists.

Assuming that the car is parked, our Derby goer strolls or runs to the box office and, if he is a true Westerner, naturally he can only afford a \$3 ticket. This entitles him to stand, sit, or lie in the infield. The infield is not where he would look for Eddie Adams or Liberace; the

infield is the center of the race-track around which the horses run—sort of like cheese on a mousetrap.

Some persons, possibly thinking Western students, chose not to purchase a ticket, but rather to scale the front wall or watch the Derby from stable roofs. The latter approach does have merit that may not be evident at first glance. Just think, though, Derby fans, if you had been perched on a stable roof, could you have bet on a 30 to 1 long shot that finished ninth in a twelve horse field?

The Kentucky Derby is the 7th race on a nine race program. Prior to the Derby run the national anthem is played. Many didn't care to notice or were in no condition to rise when the Anthem was played. Those who were observed were not college students.

On Derby day there never fails to be horses that will appeal to students of different interests and majors. This year there was Geology for the spee-lunking crew; Nebuchadnezzar was the choice of theology students. All government majors went with Federal Man, and party lovers naturally chose College Date. But regardless of one's position, when the horses come out of the turn and head down the home stretch, everyone shares in breathless anticipation the thought of paying for next semester's tuition on a \$2 bet.

Do you need to know what type of government Rwanda has, or what language is spoken in Afghanistan? Do you want to know the best time to take a vacation to Halifax or Acapulco? You will find that kind of information and more in the National Geographic Atlas of the World.

Here, in easy-to-look-up form are facts to answer a multitude of queries. The religion and racial background of a nation's people, what the climate is, what kinds of crops grow and what industries and natural resources exist, are examples of the topics discussed.

In addition to a discussion of each country, there are large

easy-to-read maps. This atlas divides areas into related geographic units rather than into separate political divisions. A country is shown in association with its neighbors.

Because of this type of division, all countries are not represented as the same size. For example, the difference in the size of such countries as Switzerland and Brazil is shown because they are not presented on individual pages but in geographic units.

The National Geographic Atlas of the World is one of several new reference books in the library.

One of these reference books,

It's good to be back! I take this opportunity to thank you for all cards, notes, flowers, phone calls, and visits during my illness. They were very much appreciated.

Also, I want to thank my very efficient staff for carrying on the work and presenting you with two fine Heralds.

## Hilltopic

Congratulations to Senior Class President Gary Kelley and his co-workers for a successful Talisman Ball. The enthusiasm of those who attended has made it the talk of the campus for several days. Westerners who were unable to attend missed much fun.

## Hilltopic

Seniors, don't forget to take care of all those last minute details in preparation for graduation. A wise move would be to check the Registrar's office to be sure you have completed all requirements.

## Griffis To Assume Duties As Sponsor

With the graduation of PR Regimental Sponsor Pat Norman, a new personality has been named to step into the high heeled shoes of the Pershing Rifles' honorary sponsor. These high heels will be worn by Patty Griffis, a freshman music major from Bowling Green.

Patty was recently elected by unanimous vote to represent various drill meets and assemblies throughout the United States attended by the PR drill team.

The daughter of Mr. and Mrs. Estil Griffis, 1705 Park St., she has served this year as a freshman cheerleader and is a member of the A Capella Choir.

With her unusually talented voice, Patty has brought herself into prominence by broadcasting her own TV show over WLTV.

The empty shoes left by Pat Norman are being replaced for the first time in three years. Pat transformed the shoes into silver slippers in the eyes of the Third Regiment. She twice held the position of Third Regimental Sponsor and honorary PR colonel.

Last semester Patty served as assistant to Pat in order to become better acquainted with her duties and responsibilities.

Patty attended drill meets at the University of Illinois, University of Dayton, Purdue, and Vanderbilt. Next year's sched-

## Cadets Get Awards This Afternoon

This afternoon at 4:30, Western's ROTC will hold its annual Field Night competition in the stadium. Six companies, 4 platoons, 12 squads, and 24 individuals will take part in the competition.

The competition will be judged by officers of the 101st Airborne Division from Fort Campbell. The outstanding platoon, squad, freshman and sophomore ROTC cadets, and company commander will be chosen. The competition will be judged on the ability to do the manual-of-arms and the close-order drill. The Field Night exercises will be climaxed when the entire ROTC Brigade passes in review.

The winners of tonight's competition will receive awards in a ceremony, May 20, in Western's stadium. President Kelly Thompson will make the presentations. The outstanding company commander will receive a sword. Other winners will be awarded individual trophies and ribbons, which are now on display in the trophy case of the Academic-Athletic Building.

This single-volume encyclopedia is a mine of information for speeches, reports, articles, and the simple pleasures of enriched conversation and thought.

After reading about the Damascus Affair, Marrana, concentration camps and studying the numerous photographs, you will know more of the Jewish people and faith.

Another new reference book, the Concise Dictionary of American Biographies, is a single volume edition which supplies essential facts of biographies.

It can be used for ready reference by students, research workers and anyone who wishes to inform himself quickly about dates of birth and death, education, and accomplishments of notable Americans.

Other reference books which contain ready information are the year books of the United Nations and the Library of Education series.

The first of these is a historical reference work about the United Nations and the Library of Education series.

The first of these is a historical reference work about the United Nations and the inter-governmental agencies related to it. The second is a reference series which gives a complete coverage of American education. It is most helpful for teachers and supervisors.

## We'd like to say some nice things about America's young adult drivers

And we think we've got good reason! Last January, we selected twenty 18- and 19-year-old young men and women through the Junior Achievement program to drive our team of Chevrolets in the Mobil Economy Run, April 3-9. It was the first time any company had relied entirely on drivers with limited experience in this exacting competition.

We brought these young adults—most of them college students, some from the business world—to Arcadia, California, in late February. For six weeks, our expert teachers trained them in the skills of economy driving.

Then, on April 3, they set off on the Run, 3,243 miles from Los Angeles to New York.

We were going against the grain. It takes high proficiency to win the Mobil Economy Run. Competition is tough. Why did we rely

on drivers with such limited experience?

Chevrolet wanted to give the Chevy Teen Team a chance to prove in front of the nation that they and the 6.5 million licensed drivers in their age bracket are safe, sane people behind the wheel. We felt the Run offered a splendid chance.

The Corvair, Chevy IIs, Chevelles and Chevrolets driven by the Chevy Teen

Team in the Mobil Economy Run did remarkably well compared with the class winners in overall miles-per-gallon figures. The final results are a tribute to the high degree of driving skill displayed by the Chevy Teen Team representing the youth of America.

No wonder we're proud of America's young adult drivers. We couldn't have a better reason.

## Read, Read, Read Freshmen Told By John M. Brown

Rodes - Helm lecturer John Mason Brown told the freshmen in last week's Freshman Assembly in Van Meter Auditorium to read — to continue reading after they were graduated.

Pointing out that Americans read less than people in the other highly literate nations, Brown cited a Gallup poll which indicated that 10 per cent of college graduates could not name the author of any one of 12 classics listed. Among them were "The Canterbury Tales," "Leaves of Grass," and "The Origin of the Species."

The noted writer said that a great book, just as a great work of music could be read many times with increasing enjoyment. He advised students to re-read after graduation the books they were forced to read as undergraduates.

# Miss Clagett Studies Flowers

Miss Marjorie Clagett of the foreign language department has made a study for 20 years of the wild flowers in the Warren county area. She has photographed and made notes of the time and place of bloom and the details of photography.

A recent grant from the faculty research program enabled her to put this 20 year collection into disciplined form. This grant is for typing and micro-filming a check list of the flowers of the Warren county area for popular and scientific use. It also indexes her slide collection.

The slides cover one hundred flower families and about two hundred genera. Two-thirds of these slides are in series from habitat to close up and from bud to seed. They also show flower movement. About one-half of the slides are pictorial and the other half are record shots. Since these slides were by spot identification, Miss Clagett has been attending

ing taxonomy classes in order to narrow down the classifications.

The check list indexes the scientific names and common names, and shows the date of earliest and latest bloom.

Miss Clagett is checking against the 1893 Flora of Warren County by Sadie Price, and against the possibilities in Birtton and Brown Flora of the Northeastern United States.

Miss Clagett was first inspired by wild flowers when she made trips with her father through the woods. During World War II she purchased a second-hand 35 mm camera in order to send photographs at home and families to former French club students in service. Later she began photographing flowers.

The cameras, with a portrait attachment, caused difficulty in making the pictures.

The flower would move in the breeze, the sunlight was filtered by trees, and flowers were sometimes located in difficult places. Some of these difficulties have been improved by a new modern camera with reflex accessory and fast film for close ups.

This hobby brings to her many hours of pleasure and enjoyment because, she says that when she looks at the photograph, she remembers the persons with her when it was taken, the month, the condition of the weather, and the place it was taken.

## Nine Seniors To Enter Med Schools

Nine Western seniors will enter medical schools this fall. Three have received scholarships.

Attending the Vanderbilt University Medical School will be George E. Smith, Paducah, and John Mather, Bowling Green. Mather's wife, the former Susan Onnybecker, a 1963 Western graduate, will also enter the University of Vanderbilt to do graduate work in microbiology.

Five students — Dan Hamner, Bowling Green; Michael Jarvis, Central City; Dailey McPeak, Vine Grove; Jerry Stodgill, Earlington and Jack Still, Louisville — will enter the University of Louisville.

Larry Young, Greenville; will study medicine at the University of Kentucky, and Paul T. Chandler, Henderson, will enter Emory University in Atlanta, Georgia.

Jarvis, 22-year-old son of Mr. and Mrs. James R. Jarvis, Central City, has received a \$1,000 scholarship to Louisville.

Chandler, a January graduate, received a \$900 stipend from Emory University, which he will enter this fall. He is the son of Mr. and Mrs. Henry Chandler, Henderson, and is a 1959 graduate of Russellville high school.

Smith is the recipient of the Justin Potter scholarship from Vanderbilt University. Now a resident of Cocoa Beach, Fla., Smith was graduated in 1960 from Paducah Tilghman high school. His parents are Mr. and Mrs. George Paul Smith.

Western has long ranked high as a college whose graduates enter the medical profession. A report by the U. S. Department of Health, Education and Welfare shows that the College has graduated since 1950 more future medical doctors than any comparable school in this area.

## NOTICE

Sophomores with less than sixty semester hours should immediately make application for admission to teacher education. Beginning in September, 1965, only those students who have been admitted to teacher education will be permitted to enter student teaching. Thus, current sophomores must apply for admission to teacher education immediately in order to be admitted to student teaching for the fall or spring semester, 1965-66.

Students planning to do student teaching for the fall or spring semester 1965-66 should plan their programs so that they may take student teaching on the bi-term. Bi-term student teaching means that the student is teaching full-time Monday through Friday. No Saturday or night classes may be taken while students are doing student teaching. However, students may take course work on the other bi-term when they are not doing their student teaching.

## SPORT SHORTS

LARRY DYKES,  
Sports Editor

This coming weekend will be the biggest spring sports weekend of the year.

Western will host the Ohio Valley Conference final meets in tennis and golf.

The track team will travel to Middle Tennessee for its final meet.

Murray has captured the Western Division baseball title, but the Topper diamondmen came on strong in the end to finish in a tie for second place.

### Tennis

Coach Ted Hornback will be out to capture his 12th OVC tennis title in the last 16 years this weekend. It should boil down to a battle between Western and Murray. Western won over the Racers in their first meeting 5-4, but were completely out-manned in the return match except for Bill Beverly who kept the Toppers from getting completely shut out as the Racers won 8-1.

However, the netmen will have the advantage on their home courts which should be enough to make the difference.

### Golf

Coach Frank Griffin's golfers are unbeaten and will be the strongest challenger to Middle Tennessee. But the Toppers will be playing on their home course and could make it tough on the Blue Raiders.

### Track

Western became the first conference team to defeat Murray in a dual meet in six years last Tuesday night. Coach Tom Ecker's thinlles are now in the driver's seat and are definitely the pre-meet favorite.

Western has never won an OVC track title and this could be the year. The Topper harriers have come an amazingly long way in just two short years, all the way from the bottom to the top.

### Summary

Western could finish the 1964-65 sports year with three OVC titles. The football team has already won its crown and the tennis and track teams are certainly the strong favorites to win theirs.

However, there will never be a more determined bunch than the Western golfers. The linksmen will be gunning for an OVC crown and that could make it four titles in one year. That's something no other OVC school can claim!

## Western Sweeps Series Against Austin Peay

Western's rapid-jelling baseball Toppers ran their season record to 8-11 with a four game series sweep over OVC foe Austin Peay last week.

In Saturday's double-bill, played at Western, the Tops edged Austin Peay 8-7 in the opener and won the night-cap 13-0.

The Governors were attempting to avenge a 5-4, 3-1 double-header loss, inflicted by Coach Dan King's crew at Austin Peay, Wednesday.

By winning the four games, Western leveled its OVC diamond record at 5-5. Murray's Racers have been assured of the Western Division crown and

OVC Championship play-off berth.

### Austin Peay at Western

Second-baseman Donnie Schneider led the Toppers to their second consecutive double-header win by blasting eight hits in nine trips. Schneider reached first base each time at bat. On his ninth trip to the plate, the right-handed spray-hitter reached first base on an error.

Schneider socked five singles

## Linksmen Set To Battle MTSC For OVC Golf Title

Coach Frank Griffin's Western golf team is only two matches away from finishing the year with a perfect season.

The Hilltoppers ran their unbeaten string to 10-0 Friday when they downed Tennessee Tech 16½ 10½ at Cookeville.

The Topper linksmen will close out their regular season play this afternoon against Evansville College at the Indian Hills Country Club course.

The Tops should (providing they won yesterday's match against Tech) enter the Ohio Valley Conference championships this weekend unbeaten and could be a real challenge to Middle Tennessee who has dominated OVC golf for the past few years.

Coach Griffin's golfers, predominately freshmen, are led by Evansville's Tom Van Bristow. Van Bristow had a hole-in-one Friday against Tech. His ace came on the 150-yard 12th hole at the Cookeville Country Club. He used an 8 iron and finished the 18 holes with a one-over-par 73 to tie for medalist honors.

Other freshmen members of the Topper links crew are Robert Wrona, Ken Schreiber, Ken Brown and Dewey Morris. Terry Jones is the only upperclassman on the squad.

The Tops handed Austin Peay (22-8) and Kentucky Wesleyan College (18-0) a defeat in a triangular meet held last Thursday on the Toppers' home course.

This time it was Ken Schreiber who had the honors with a 72. All the Western golfers shot in the 70s, Jones (73), Van Bris-

ton (74), Brown (75). Morris (76) and Wrona (77).

The Toppers who host Evansville College this afternoon romped over the Aces in their first encounter by the score of 16-2 on the Indiana course.

## Netters Win Two Matches, Lose One

The Hilltopper netters prepared for the upcoming OVC tennis meet by splitting two conference decisions and winning a non-conference dual meet last week.

Coach Ted Hornback's tennis team defeated Austin Peay 9-0 Wednesday and Bellarmine 7-2 Saturday on Western's court.

But the severe damage was accomplished by Murray's racing netters, when Western dropped an 8-1 contest at Murray. The Western defeat placed Murray in the favorite's slot to capture the OVC net crown.

Sparkplug Bill Beverly, an Ashland freshman, won Western's only match at Murray with a 6-4, 6-3, win over Pat Bryan.

Murray's Bill Bowen—dealt Western's Larry (Pancho) Whitaker his first loss in an OVC match in two years. The No. 1 singles player in the OVC, who had never even dropped a set to an OVC foe, fell, 6-4, 1-6, 6-3 before a fire-up Thoroughbred au-

# Tops To Defend OVC Net Crown

Western's Hilltoppers, the defending Ohio Valley Conference tennis champions, and runner-up Murray renew their net fued Friday and Saturday, when the Toppers host the 1964 OVC tennis championships.

During the two-day meet, Coach Ted Hornback's netters will be in quest of their 12th OVC title in 16 years. Topper returning lettermen Larry Whitaker and Bobby Smith will defend their OVC singles titles gained in last year's meet.

Western netters participating in the conference meet for the first time are freshmen Jim Malone and Bill Beverly.

Beverly, an Ashland product, has fueled this year's team with his aggressive style. Malone, the Ohio Clay Court Singles Champion, possesses one of the fastest serves in the conference.

Even though it's his first meet, Beverly knows the importance of the tourney: "This is the one we want ... this is the big one."

Tom Bohlinger and Larry Peeno fill the other positions very capably and must be ranked as threats to win their division.

"This will be the best competitive tournament that the OVC has ever seen," began Hornback, who commented on Western's chances. "It's a real good bet that Western and Murray will be the top contenders."

Earlier in the net season, Western defeated Murray 5-4 on the Toppers' courts. But just last week, the Tops dropped an important 8-1 contest at Murray, where Beverly became the only Topper to defeat a Thoroughbred netman twice this season.

After the matches at Murray, Hornback said, "After that loss, the Racers would now have to be the favorite. They have the experience all the way down the line."

It's no secret that, in all probability, by Saturday's final matches that in the six divisions of singles and three doubles divisions, Western will be facing Murray in all contests.

In the six singles divisions Western will place (in order) Whitaker, Malone, Smith, Peeno, Beverly, and Bohlinger. Assured top seeds will be Whitaker and Smith.

For Western to win the No. 1 singles title Whitaker must come out of a slump, which saw him drop his first OVC competition set and match to Murray's Bill Bowen, 6-4, 1-6, 6-3. And Saturday, Whitaker lost a close 6-4, 3-6, 6-2 decision to non-conference foe John Evans of Bellarmine on Western's court.

A team trophy will be awarded to the winning team. Division champions and runners-up will receive medals. And most of the OVC net followers have already conceded to a hot duel

between Western and Murray. It's a feud that is becoming bigger and better each season.

The OVC tennis championship festivities will begin with an

# Harriers Topple Murray, Eastern

## Racers Drop First OVC Dual Meet In Six Years

Western's track team proved last week they could do something no other conference track team has done in the past six years. Beat Murray.

Not only did the Western thinlies upset Murray 80-65, Tuesday night, but downed arch-rival Eastern Kentucky 80-59 Saturday night. All this in one week!

It took an all out effort on the part of all the Topper trackmen (they set five new school marks) to beat the Racers 80-65. Actually the score was closer than the 15 points as indicated. The Murray relay team was disqualified in the mile relay for jumping the starting gun. The race was run any way and the Racers won.

John Toye, Tom Gard and the Mile Relay team set new school marks by winning their events, and Jay Partiz and Roy Turner broke two old school standards by placing second in their events.

### Records Broken

Toye broke his own record in the shot put when he tossed the 16-pound ball 51 feet, 9½ inches; Tom Gard bettered his own mark in the triple jump by two feet when he hopped, stepped and jumped 46 feet; and the mile relay team composed of Mike Oliver, Merrill Clark, Roy Turner and Butch Holden covered the mile in 3:19.7.

Jay Partiz erased Winton Boone's name from the record books completely (Partiz had previously tied Boone's mark when he scampared the 100-yard dash in 9.6 seconds. However, he finished second to Murray's Bob Dody who was timed in 9.5 seconds.

## OVC Tennis

Continued from page 10

OVC golf-tennis coaches' dinner in the Paul L. Garret Student Center at Western. Following the dinner, pairings will be made for the tennis tourney and the conference golf meet (at Indian Hills Country Club).

The first tennis matches are scheduled to start Friday at 8 a.m., and will continue through Saturday afternoon with the Saturday session beginning at 8 a.m.

Western recently repaved two of its courts located on the South end of the net camp. Hornback has hopes of resurfacing more courts at a later date.

Western's netters are looking forward to biting into some strawberries after the two-day meet is completed. Only a dedicated net effort will decide if those berries will be labeled 1964 OVC Tennis Champions.

Roy Turner placed second in the 440-yard dash, but his time was good enough to lower his own mark in this gruelling race to 48.8 seconds.

### First Place Winners

Other first place winners for the Hilltoppers were Newman, high jump (6-3½); John Sears, mile run (4:17.0); John Toye, discus (154-2); 880-yard run, Butch Holden (1:55.0); Paul Woodall, javelin (168-10); and Dale King, pole vault (14-0).

The Toppers had somewhat an easier time winning over Eastern (80-59), and John Sears, John Toye, and Dale King and the mile relay team broke four Eastern track records.

All track records however, were below what the Hilltopper performer had done in the past.

### OVC This Week

Western will now be prepared for the up and coming OVC championship slated for this weekend at Middle Tennessee State College.

For the first time in Western's track history, which has certainly begun to bloom in the past two years, the Toppers will be the favorite to capture the title crown.

### BEST OVC MARKS TO DATE

in the opener and went three-for-four in the finale. His second inning three run homer gave Western a commanding 4-0 lead.

Lanky Mike Ringo held the Govs to three hits, one walk, and struck-out three en route to the Toppers' 13-0 nightcap win.

The Toppers erased an opening-game second-inning 7-2 Gov lead and went on to win 8-7 by scoring six runs in the final two innings.

Sophomore right-hander Brown Smith, who relieved starter Bob Barnett in the first inning, gained credit for his second.

dience.

By drubbing Western, Murray avenged an earlier 5-4 dual meet loss on the Topper courts.

Bowen later teamed with Henry Baughman to come from behind to defeat the Toppers' No. 1 doubles duo Whitaker and Bobby Smith 3-6, 6-3, 6-2.

### Austin Peay at Western

The Toppers white-washed Austin Peay's Govs 9-0 before traveling to Murray. It was the ninth win posted by Hornback's netmen, who did not lose a set during the easy home triumph.

Whitaker defeated the Govs' No. 1 singles netter Fred Alsop 6-2, 6-4, and teamed with Smith to upend Alsop and Ralph Grant 6-3, 6-1.

### Bellarmino at Western

Western took one step closer to claiming the unofficial Bluegrass tennis crown by defeating previously undefeated Bellarmine 7-2 on the Topper courts.

In one of the best net matches seen on the Hill, Whitaker dropped a 6-4, 3-6, 6-2 decision to John Evans in the featured match. But the Whitaker-Smith combination took the top doubles match by extending Evans and his partner Jim Spencer 6-4, 8-6.

and win over the Govs this season. The Toppers scored their three runs in the seventh on singles by Schneider, a walk to Phil Magan, and a wild pitch.

### Western at Austin Peay

Right-fielder Phil Magan enabled pitchers Bobby Sturgeon and Brown Smith to receive credit for Western's 5-4, 3-1 double-header win at Clarksville, Wednesday.

Magan's seventh inning solo home-run gave Western the winning edge in their opener,

and his first inning single in the nightcap provided the Toppers' second run, en route to a 3-1 victory.

Brown Smith and starter Frank Brent held the Govs to only four hits in the opener. Smith reached the mound in the fourth inning to stop a Gov 3 run attack which tied the game at 4-all and set the stage for Magan's solo blast.

Sturgeon hurled a two-hitter, fanned 11 and did not yield an earned run in the Top-Govs finale.

## Religious News

### VESPERS

The regular meeting of Vespers convened Tuesday evening at 6:00 in the Little Theater of the Library.

The guest speaker of the evening was the Rev. Neal Shenton, a Western student who will be graduated in June and then enter Emory University to continue his studies. Rev. Shenton spoke on "Will someone tell me who I am?"

The next meeting of Vespers will be the installation of officers for the 1964-1965 school year. Plans are being made for the meeting to be held on May 19 at the Newman Hall. The principal speaker will be Dean Dero Downing.

All members of the Religious Council are urged to attend this meeting, and any interested persons are given a very special invitation.

### BSU

Two Western students have been chosen by the Home Mission Board of the Southern Baptist Convention to serve as Summer Student Missionaries, for a period of ten weeks beginning June 8.

They are Becky Howard, junior elementary education major from Bowling Green, and Carroll H. Adams, junior English major from Cadiz.

Becky will serve in Oklahoma under the supervision of a Rev. Watson of Cherokee County, Okla., and will be working with Sarah Ann Dampf, a student at Riverside Baptist College, Riverside, Calif.

Becky is a member of the Eastwood Baptist church, Mission Chairman at the Baptist

Student Union, a member of the B.S.U. choir, and a member of Western's SNEA.

Carroll will go to Colorado and then to Wyoming to assist the Rev. Robert L. Smith, the area Missionary. He will be working with Vernon M. Buice, Jr., a student at Truett-McConnell College, Cleveland, Ga.

Carroll is a member of the Glandale Baptist Church, a member of Western's SNEA, and a Herald reporter.

Another student, Ben Wiseman from Louisville, has been placed on the alternate list.

Since the project began in 1944, over seven thousand students have participated in the program. Students serve the entire United States and Panama.

Their work will be church-related. They will be working primarily in Vacation Bible Schools, but will include work at church camps for boys and girls and teaching.

### Western Players
